Description

Posted by Larry Gleeson

Day 2 at the 2022 Sundance Film Festival started off with Tabitha Jacksonâ??s â??How to Fest,â?• a wonderful way to open the day at Sundance â?? full of wise words and insight into promising films and filmmakers. Admittedly, I felt my face flush with Jacksonâ??s closing inspirational alliteration, â??Put on your intrepid trousers and go forth and discover.â?•

Taking those words to heart, *After Yang* presented itself. Stay tuned for more on this **Alfred P. Sloan Feature Film Prize winner!**

At 1:45, **DOWNFALL: The Case Against Boeing** from acclaimed director Rory Kennedy, has numerous festivalgoers chomping at the bit with this comprehensive investigation into the crashes of Lion Air Flight 610 and Ethiopian Airlines Flight 302. More to follow on â??searing indictment of a once-principled company corrupted by the influence of Wall Street to prioritize profits above all else.â?•
