Founded in 1999, NBFF prides itself on its lifestyle films and focuses on bringing the best local, national, international and critically acclaimed films to the Newport Beach community.

The program for this year includes:

Features	Community Cinema
Shorts	Environmental Film Series
Documentaries	Family Film Series

NBFF strives to bring the best in contemporary and classical filmmaking from around the world. In addition, the Festival stimulates interest and passion in film goers of all ages and backgrounds through its integration of local community and educational institutions to foster and develop an appreciation in the art of film.
