Description of the 2016 festival theme ***Moving Pictures***:

The magic of movies isn't just motion, it's emotion. As we watch cinematic stories play out, they feel like our own. In 2016, the TCM Classic Film Festival explores MOVING PICTURES—the ones that bring us to tears, rouse us to action, inspire us, even project us to a higher plane. In the heart of historic Hollywood we'll gather to share the big-time emotions of big screen stories, from coming-of-age pictures to terminal tearjerkers, from powerful sports dramas we feel in our bones to religious epics that elevate our spirits. These are the films that that set our love of cinema in motion.
