Schneider vs. Bax â?? a new film from Alex van Warmerdam

Description

From writer/director Alex van Warmerdam (BORGMAN). Schneider, a hitman, gets a call from Mertens on the morning of his birthday. He has a last-minute assignment for Schneider. The target is Ramon Bax, a writer who lives alone in a secluded place. â??Itâ??s an easy job. With a little luck youâ??re back home before noon.â?• What was promised to be a simple hit turns out to be more than expected.

Hereâ??s what other critics are saying:
â??Putting the â??deadâ?• back in deadpan, the ninth feature of van Warmerdam is his most Coen brothers-like film yet, a western in the Dutch wetlands thatâ??s as unpredictable as it is darkly funny.â?•
â?? Body van Hoeij, The Hollywood Reporter

â??â?¦the more absurd the circumstances, the more entertaining the movie gets.â?•
â?? Peter Debruge, Variety

â??Van Warmerdam unfolds his rapidly escalating comedy of errors here with remarkable precision and craft.â?•
â?? Todd Brown, Twitch
