Description

Two-time Academy Award winner Barbara Kopple (Harlan County, USA) shines a powerful, inspiring and entertaining spotlight on the legendary R&B queen Sharon Jones, whose wonder is a force to behold both on and off stage. Now as she prepares for her most important tour, Sharon comes face-to-face with the most difficult adversity of her life: a diagnosis with cancer. Follow this tour de force over the course of an eventful year as she struggles to hold her band The Dap Kings together while battling her diagnosis with an unstoppable determination to come out triumphantly as a true soul survivor.
