

SBIFF Showcase – The Handmaiden

Description

From Chan-wook Park, the celebrated director of *OLDBOY*, *LADY VENGEANCE* and *STOKER*, comes a ravishing new crime drama. PARK presents a gripping and sensual tale of two women – a young Japanese Lady living on a secluded estate, and a Korean woman who is hired to serve as her new handmaiden, but is secretly plotting with a conman to defraud her of a large inheritance. Inspired by the novel *Fingersmith* by British author Sarah Waters, *THE HANDMAIDEN* borrows the most dynamic elements of its source material and combines it with PARK Chan-wook's singular vision to create an unforgettable viewing experience.

“One of the year’s sliest, sexiest thrillers. The first section is only part of the story. The rest is so suspenseful, sexy and surprising that it would be a shame to say any more.” – Entertainment Weekly

“A feast for all the senses.” – Rolling Stone

“A hugely entertaining thriller. Simmering with genuine sexual tension.” – The Guardian
