Description

Posted by [Larry Gleeson](#)

Established to celebrate excellence in the art of storytelling and advancements in filmmaking, the second annual [VIZIO + Dolby Vision™ Filmmaker Challenge](#) inspires rising cinematographers to showcase their filmmaking prowess.

The contest invited second-year Fellows from the AFI Conservatory — the American Film Institute's renowned film training program — to submit their films. From the pool of entries, a panel of judges selected the top five that best showcased striking visuals, a compelling narrative and creativity.

Watch clips of the AFI Conservatory thesis films from all five finalists, vote on your favorite and enter to win a 65" VIZIO television with Dolby Vision™ High Dynamic Range — [here!](#)
