When the 68th Berlin International Film Festival takes place from February 15 â?? 25, 2018, Berlin will once again belong to the bears.

Festival Director Dieter Kosslick

â??Itâ??s that time of year again: The bears are out and about! On this yearâ??s posters theyâ??ll be popping up at well-known Berlin landmarks to get us in the mood for terrific festival days,â?• comments Festival Director Dieter Kosslick.

The poster series, featuring six different scenes, was again designed by the Swiss agency Velvet. The posters will go up city-wide and be available for purchase at the Berlinale Online Shop starting on January 22.
