

NashFilm Creators Conference â?? HBO Panel

Description

Posted by Larry Gleeson

The Nashville Film Festivalâ??s Creators Conference was highlighted Saturday by a keynote panel with HBOâ??s **Len Amato** and **Evyen J. Klean**, providing key insights into how ideas are chosen by the network giant and brought to life. The perspectives of HBOâ??s President of Film, Miniseries and Cinemax Programming Len Amato and Emmy winning producer and music supervisor Evyen J. Klean were shared on topics including how â??greenlightâ?• decisions are made and the artistic balance of film and music that can lead to successful films. The Nashville Film Festival runs through Saturday, Oct. 12.
