NashFilm Virtual Festival â?? October 1-7, 2020

The 51st Nashville Film Festival is a virtual online event taking place from October 1-7, 2020. This yearâ??s festival will be the most accessible version to audiences yet, as both filmmakers and film lovers will be given unique opportunities to connect and enjoy digital screenings, panels, filmmaker Q&As and other original content online. The Nashville Film Festival is delivering hundreds of the worldâ??s best new films with filmmaker Q&As, panels, and more.

2 Ways to See the Festival

Buy a VIP badge (in my opinion, the best option) to gain access all the films and to the Creatorâ??s Conference this weekend or purchase individual tickets for all the film and music programs.
