About Bill Sienkiewicz

Bill Sienkiewicz (pronounced sin-KEV-itch) is a multi-Eisner-winning, Emmy-nominated artist best known for revamping the style of comic and graphic novel illustration from 1980 onwardâ??most notably with Marvelâ??s Elektra: Assassin, Moon Knight, and New Mutants (which inspired FXâ??s Legion and Disneyâ??s New Mutants), and his acclaimed graphic novel Stray Toastersâ??earning him an international reputation and cult status across media industries.

A classically trained painter, Sienkiewiczâ??s renderings incorporate abstract and expressionist influences and any combination of oil painting, acrylics, watercolor, mixed media, collage, and mimeograph â?? previously unheard of in comics. His paintings have graced the National Museum of Fine Arts in Rio de Janeiro, Brazil, galleries in New York, Paris, Barcelona, and Tuscany, Spainâ??s famed La Semana Negra (The Black Week) Festival, and the internationally touring exhibition Marvel: Universe of Super-Heroes.

Sienkiewiczâ??s retrospective art books include the Eisner-winning Bill Sienkiewiczâ??s Mutants and Moon Knights and Assassins (IDW), Revolution (Six Foot Press), and The New Mutants: Bill Sienkiewicz Marvel Artist Select Series (IDW). The character of Kingpin in Spider-Man: Into the Spider-Verse was modeled after Sienkiewiczâ??s interpretation in Marvelâ??s Daredevil: Love and War.

He has taught at The Illustration Academy in Kansas City, MO and The Kubert School in Dover, NJ, and spoken at the California College of the Arts in San Francisco and ArtCenter in Pasadena, CA.

Sienkiewicz has garnered numerous accoladesâ??most notably 2019 Eisner Awards for the Eisner Hall of Fame and Best Archival Collection for IDWâ??s Bill Sienkiewiczâ??s Mutants and Moon Knights and Assassins, 2004 Eisner for DC Comicsâ??
