Variety Artisans Award
sponsored by Variety

Varietyâ??s eighth annual Artisans Awards celebrate those essential to the filmmaking process and who have exhibited the most exciting and innovative work of the year in their respective fields. The in-person conversation and tribute will take place Monday, March 7th at 8:00 pm at the historic Arlington Theatre.

â??What I love so much about the Artisans Awards and honoring them here at SBIFF, is that this shines a spotlight on those essential to the art of filmmaking and storytelling,â?• said *Variety* senior artisans awards editor Jazz Tangcay. â??This is their moment to shine and share how they tell a story through their craft and celebrate them. Itâ??s so great to be back in person and to share this with an in-person crowd at the festival.â?•

SBIFFâ??s Executive Director added â??What festivals and events like the Artisans Awards are all about is connectivity and building community through the art of film. The past two years have not been good to those essential aspects of cinema that I cherish so much. Both *Variety* and SBIFF are thrilled to be back together celebrating our talented artisans.â?•
