Day 2 at the 13th TCM Classic Film Festival picked up right where Day 1 left off. Ben Mankiewicz and Jane Fonda introduced comedic legend Lily Tomlin outside the world-famous TCL Chinese Theatre for Lilyâ??s Hand and Footprint Ceremony. One would have needed a knife to slice through the energy generated not to mention a saber to disperse the bursts of laughter and humor elicited from the audience. Later in the day, the 4K Restoration screening of *Giant* (1956) and to hear Ben Mankiewicz, Steven Spielberg, Geroge Stevens, Jr., and Margaret Bodde, Executive Director of The Film Foundation, discuss the film and the importance of restoration. Giant is considered a seminal film, progressive for its day, and its relevance holds up today. A must-see!
