Nashville Film Fest Hosts Chuck Berry World Premiere

Description

Posted by Larry Gleeson

Chuck Berry, directed by Ron Brewer, made its world premiere at the 50th Anniversary of the Nashville Film Festival, Friday, October 4, 2019, Regal Hollywood ScreenX & RPX Cinema â?? Nashville. Berry, an extraordinary entertainer, ushered in the era of rock-n-roll, with a showmanship that has often been imitated and rarely duplicated.

The evening opened with a full on red carpet and Nashville hospitality. The screening was well received as the filmâ??s director, Ron Brewer, does his homework as he shed light on the man and career that shaped and molded the British invasion during the 1960â??s. The night continued with a celebratory after party at Nashville Acme Seed.
