TCM Classic Film Festival â?? Day 1

Description

Posted by Larry Gleeson

The 13th TCM Classic Film Festival got underway with a full day of events, films, and talks. Kicking it all off was the â??Meet TCM,â?• an event designed specifically to share staffer insight into the network, how itâ??s produced and what is coming up. In addition, the wildly popular, â??So You Think You Know Movies,â?• was filled to the rafters at the Roosevelt Hotel as movie buffs and film fanatics battled it out in this fun-filled annual quiz competition headed up by Bruce Goldstein, founder of Rialto Pictures and the repertory program director of New Yorkâ??s Film Forum. The Opening Night Reception this year was held poolside at the Hollywood Roosevelt. And without further adieu, the 40th anniversary of E.T. the Extra-Terrestrial at the TCL Chinese Theatre IMAX officially opened the 2022 festival.
