The Power of a Dog Left Audience Members Howling for More @AFIFEST 2021

Description

Posted by Larry Gleeson

Jane Campionâ??s latest film, *The Power of the Dog,* with Campion, Benedict Cumberbatch, Kirsten Dunst, Kodi Smit-McPhee present, lit up the Chinese Theatre on Hollywood Boulevard last night with an AFI FEST 2021 Red Carpet Premiere.

Once inside the hallowed Hollywood landmark, AFI President Bob Gazzale welcomed the audience before eloquently introducing the film and Director Jane Campion to loud cheers and hearty rounds of applause. Following the filmâ??s screening a conversation moderated by Hollywoodâ??s delightful Kathryn Hahn entertained the house.

The Power of the Dog, a semi-dark psychological drama, is a magnificent and majestic work tantalizing and titillating â?? a bonafied Oscar contender in multiple categories.

The evening embodied a new peak for film festival entertainment as post-screening actors, editor, cinematographer, and director sparred, cajoled and informed under the watchful eye of moderator Hahn as she effectively marshaled the energies of *The Power of the Dog* conversation.
