

## Golden Bear and Prizes of the Berlin International Jury

### Description

Posted by [Larry Gleeson](#)

Quite an eventful 67th Berlinale. Some fantastic films. I had the good fortune to view all but one of the award-winning films, Silver Bear for Best Screenplay, Sebasti  n Lelio and Gonzalo Maza  s *Una mujer fant  stica* (A Fantastic Woman). [Pokot Spoor](#) winner of the Silver Bear Alfred Bauer Prize for a feature film that opens new perspectives from Agnieszka Holland did not receive my recommendation. Thank you to the jury for all their hard work and diligent efforts!

\*Members of the Jury: Paul Verhoeven (Jury President), Dora Bouchoucha Fourati, Olafur Eliasson, Maggie Gyllenhaal, Julia Jentsch, Diego Luna and Wang Quan  an
