Finnish cinema is back in a major next year as **Aki KaurismÃ¤ki** will soon debut his first feature since 2001â??s ***Le Havre***. Set for a world premiere at this yearâ??s Berlin International Film Festival in early February, weâ??ve been anticipating ***The Other Side of Hope*** for some time now and the first trailer has finally arrived today.

Starring **Sakari Kuosmanen** and **Sherwan Haji**, the story follows a poker-playing restauranteur and former traveling salesman who befriends a group of refugees newly arrived from Finland. While thereâ??s no subtitles, a good amount of the dialogue is in English, which gives us a strong sense for what to expect for the film, hopefully picking up U.S. distribution soon.
