Circus Kane is going to be frightening moviegoers with help from Uncorkâ??d Entertainment, which has secured worldwide distribution rights to the circus-themed horror film.

DeInstitutionalized
'Circus Kane'

The film from DeInstitutionalized stars Jonathan Lipnicki, and sees sees a reclusive circus master invite a group of social media stars to his house of haunts. Anyone who can make it out before being scared into submission will earn $250,000 â?? but the social media stars soon learn they are not only competing for money, but also fighting their lives.

The film is being directed by Christopher Douglas-Olen Ray from a script by James Cullen Bressack and Zack Ward, based on a story by Sean Sellars.

â??Iâ??ve worked with James on two films (*Restoration* and *Bethany*), and have followed Chris and his body of work for some time so the opportunity to work with both of them couldnâ??t be passed upâ?• said Uncorkâ??d President Keith Leopard.

DeInstitutionalizedâ??s Gerald Webb and Christopher Ray are producing the project along with Bressack.

â??We are very excited to work with Keith and the team at Uncorkâ??d Entertainment. Their experience and relationships across all platforms make them the perfect partner to distribute Circus Kane.â?• Producers Webb, Ray and Bressack said in a joint statement.

At the top of the post, check out the first production still from *Circus Kane*, which features actor Bill Voorhees as one of circus master Kaneâ??s horde of demented henchmen. The production team promises thatâ??s just a small taste of the horrors to come from the film.
