

Writer/Director Bart Freundlich Talks His Vision and Casting For â??After the Weddingâ??

Description

Posted by Larry Gleeson

I dropped in at the Grand Theatre in Salt Lake City, Friday night, January 25, 2019, for a Q & A with Writer/Director Bart Freundlich after a 9:15 P.M. screening of his latest work, *After the Wedding,* starring Julianne Moore, Billy Crudup and Michelle Williams.

Freundlich adapted Susanne Bierâ??s Academy Award-nominated Danish film of the same title by cleverly changing the charactersâ?? genders to render an elevated melodrama about strong women, fate and motherhood. Stay tuned!

Until next time, Iâ??ll see you at the movies!
