Wildly entertaining! A side of Jayne Mansfield kept out of the public eye! The incredible, untold true story of film icon Jayne Mansfieldâ??s relationship with Church of Satan founder Anton LaVey. Utilizing archival footage, stills and direct interviews, the vivacious bombshell envelopes the screen in a way few stars of any era have. And, who could resist cheering for **Jayne Mansfield** â?? the seemingly punk Marilyn Monroe and the ultimate atomic-era sex-positive kitten-gone-berserk â?? as she navigates the cultural and spiritual landscape of a quickly changing world?

Welcome to ***Mansfield 66/67***, a true story based on rumor and hearsay, where classic documentary interviews and archival materials are blended with dance numbers, performance art, and animation â?? elevating a tabloid tale of a fallen Hollywood idol into a celebration of the mythical proportions â?? in a campy, California set production from the creators of Room 237. This is one you donâ??t want to miss!

Mansfield 66/67 will have its theatrical opening in Los Angeles at Laemmleâ??s Ahrya Fine Arts Theatre on **October 27, 2017**, co-programmed alongside a number of Mansfield classics including *Girl Canâ??t Help It* and *Will Success Spoil Rock Hunter*. There will be a special premiere on Wednesday, October 25th, with talent in attendance.
