WATCH THE AFI AWARDS 2016 VIDEO ALMANAC

Description

Posted by Larry Gleeson

AFI asked Amy Adams, Mel Gibson, Donald Glover, Chris Pine, Martin Scorsese, Denzel Washington and many other artists what theyâ??d like to be remembered for about their movies and TV shows, and why movies and television matter now. This AFI AWARDS 2016 video almanac serves as that part of film history. To see photos click here.

The interviews were filmed at the AFI AWARDS luncheon, where each year the entertainment community celebrates the creative ensembles behind the yearâ??s most outstanding films and television shows.
