â??Viggo Mortensenâ??s tremendous work in Bleecker Streetâ??s â??Captain Fantasticâ?? has garnered him both a Golden Globe and SAG nomination and we are happy to be honoring him at our brunch for his performance in the film as well as his 30 year career as one of the

most daring actors working in cinema today,â?• said Vice President and Executive Editor of Variety, Steven Gaydos. â??In less than a decade, Jeff Nichols has journeyed from the early career promise of â??Shotgun Tales,â?? to the internationally acclaimed achievements of â??Take Shelter,â?? â??Mud,â?? and â??Midnight Specialâ?? to this yearâ??s powerful and moving historical drama â??Lovingâ??. Nichols has already created such an accomplished, visionary body of work that one canâ??t imagine any assessment of current American cinema that doesnâ??t include him near the top of the list of key filmmakers. We are also thrilled to be giving out our first ever Creative Impact in Producing Award to Pharrell Williams for his work on Foxâ??s â??Hidden Figuresâ??. We reward him for championing a film that showcases the incredible true story of Katherine Johnson, Dorothy Vaughan, and Mary Jackson â?? three African American mathematicians working at NASA who helped win the space race in the 1960s.â?•

Previous recipients have included Will Smith, Charlie Kaufmann, Steve Carell, Robert Marshall, Jonah Hill, David O. Russell, Philip Seymour Hoffman, Charlize Theron and Mark Wahlberg.
