
Opening Night Film at the 22nd SLO Film Fest 2016

Description

Markus Horn, A German pianist/composer, mesmerized the audience on a baby grand piano with an original musical score accompaniment to the classic German Expressionist silent film masterpiece, Nosferatu (link to my full review) at the Spanos Theatre on the Cal Poly-San Luis Obispo campus, Tuesday, March 15, 2016. Nosferatu was presented by SLO Film Fest sponsors BHE Renewables, Union Bank and KZOZ. Film goers arrived early to witness this exciting and noteworthy event and to

in competition for for Official SLO Film Fest Poster status.

Throughout the eveningâ??s film Horn brilliantly matched the photographic score in creating a dream like atmosphere for the minimalized intertitled narrative. Hornâ??s intense symbiosis of film and music [illegible] ovation by an enraptured audience at the filmâ??s end.
