2016 #SBIFF Draws To A Close

Description

Last night the 31st edition of the Santa Barbara International Film Festival (SBIFF) drew to a close at the historic Arlington Theater in Santa Barbara. Festival Director Roger Durling welcomed and expressed his gratitude to the festivalâ??s Board of Directors and to everyone who came out and supported the 200+ films and all the filmmakers from around the world. And, without missing a beat, Durling demonstrated his appreciation for the 700+ volunteers who provide additional support to his staff during the eleven day cinema celebration saying, â??We couldnâ??t do it without the support of ute you.â?•
