Berlinale Launches Endowed Documentary Award

Description

For many years now, the Berlin International Film Festival has been committed to documentary film and diverse documentary forms.

Thanks to the support of GlashÃ¼tte Original, watch manufacturer from Saxony, the Berlin International Film Festival is launching a new award, the GlashÃ¼tte Original Documentary Award.

This prize for the best documentary film will be endowed with â?¬ 50,000, funded by GlashÃ¼tte Original. A total of about 18 documentary entries from the current programmes of the *Competition*, *Panorama*, *Forum*, *Generation*, *Berlinale Special* and *Perspektive Deutsches Kino* sections as well as the *Culinary Cinema* special series will be nominated for the GlashÃ¼tte Original Documentary Award. A three-member jury will pick the winner â?? the prize money will be split between the filmâ??s director and producer.

Besides the prize money, GlashÃ¼tte Original will also provide the trophy, which will be finely crafted in the Saxon manufactory and will be presented to the director of the winning film.

The prize will be awarded during the official Award Ceremony in the Berlinale Palast.

Here are the official documentary award guidelines:
