

## OBIT: Celebrating Life @nytimes

### Description

How do you remember a life? OBIT takes us into the world of the legendary obituaries desk at The New York Times where the writers and editors ask themselves this question daily. The film eloquently reveals the art and craft of writing obituaries and shares the journeys of extraordinary individuals to show us why writing obits is not about death, but about celebrating lives. â?? Silvina Fernandez-Duque

*Obit* is screening on Saturday, June 25th, 2016 at 6:00 P.M. at the Landmark 6 in Washington, D.C. as part of the 2016 AFI DOCS. For more details visit [Obit](#).
