In CAPTAIN FANTASTIC, Ben Cash (Viggo Mortensen) is raising his six children in the wilds of the Pacific Northwest, putting them through both vigorous physical and intellectual exercises in the mountainsâ?? fresh air. Far away from Snapchat and Snapple, the kids develop a unique sense of themselves and their family identity. But Cashâ??s tough homeschooling challenges conventional ideas about family and childhood. Ben has given up the outside world and whatever personal ambitions it held for him to devote his life to being the best father he thinks he can be. The question becomes: is he the best father in the world or the worst? Is what heâ??s doing insane or insanely great?
Viggo Mortensen and Writer/Director, Matt Ross will be present for an onstage discussion of the film following the screening.
