JACKIE to Screen at AFI FEST 2016

Description

Fox Searchlightâ??s JACKIE, directed by Pablo LarraÃn, will screen as a Centerpiece Gala at AFI FEST 2016 presented by Audi. Starring Academy AwardÂ® winner Natalie Portman, the film will screen on Monday, November 14, at the TCL Chinese Theatre.

JACKIE is a searing and intimate portrait of one of the most important and tragic moments in American history, seen through the eyes of the iconic First Lady, then Jacqueline Bouvier Kennedy portrayed by Natalie Portman. JACKIE places us in her world during the days immediately following her husbandâ??s assassination. Known for her extraordinary dignity and poise, here we see a psychological portrait of the First Lady as she struggles to maintain her husbandâ??s legacy and the world of â??Camelotâ?• that they created and loved so well. JACKIE is directed by LarraÃn and written by Noah Oppenheim. In addition to Portman, the film stars Peter Sarsgaard, Greta Gerwig, Billy Crudup and Academy AwardÂ® nominee John Hurt. JACKIE is produced by Juan De Dios LarraÃn, Academy AwardÂ® nominee Darren Aronofsky (AFI Class of 1992), Mickey Liddell, Scott Franklin and Ari Handel.
