The Opening Night Gala screening will take place Thursday, November 8, 2018, at the historic TCL Chinese Theatre.

As one of the first women ever admitted to the AFI

Conservatory, it's particularly meaningful to me that ON THE BASIS OF SEX will open AFI FEST 2018," said Mimi Leder. "My time at the Conservatory was a life-changing experience and informed my creative journey. I am forever grateful. The origin story of Ruth Bader Ginsburg, in this 25th anniversary year of her appointment to the Supreme Court, couldn't come at a more important moment in our history nor be shown at a more relevant place than AFI FEST, a symbol of artistic integrity and the enduring power of cinema. I hope girls and young women in particular will see the film and find inspiration to realize their own unlimited potential."

Inspired by a true story, ON THE BASIS OF SEX is the stirring and spirited film that follows young lawyer Ruth Bader Ginsburg as she teams with her husband Marty to bring a groundbreaking case before the U.S. Court of Appeals and overturn a century of gender discrimination.

The film will be released on December 25, 2018, in line with Justice Ginsburg's 25th anniversary on the Supreme Court.
