NOMINATIONS VOTING PROCESS

Regular awards are presented for outstanding individual or collective film achievements in a wide variety of categories. Most categories are nominated by the members of the corresponding branchâ??actors nominate actors, film editors nominate film editors, etc. However, certain categories such as Foreign Language Film and Animated Feature Film have special voting rules which can be viewed at our Rules & Eligibility page.

All voting members are eligible to select the Best Picture nominees.

Nominations voting is conducted using both paper and online ballots, with online voting being the preferred choice for the overwhelming majority of Academy members. Voting for nominations begins in late December, and all votes are tabulated by PricewaterhouseCoopers.

Nomination results are then announced at a live televised press conference in mid-January at the Academyâ??s Samuel Goldwyn Theater in Beverly Hills.

Final Balloting Process

Finals voting is also conducted via online and paper ballots.

During finals, all Oscar categories are on the ballot for voting members.

After final ballots are tabulated, only two partners of PricewaterhouseCoopers know the results until the famous envelopes are opened onstage during the Oscars telecast.
