

19 Filmmakers from the United States at Berlinale Talents 2017

Description

Posted by [Larry Gleeson](#)

Berlinale Talents welcomes 250 of the best emerging film and drama series professionals from 71 countries as 2017 Talents.

19 of the selected Talents are living and working in the United States, of whom 11 have US citizenship. The group is comprised of 6 directors, 4 producers, 3 production designers, 3 cinematographers, 1 distributor, and 2 actors.

In addition, 2 Talents with US citizenship are living abroad: [Bryerly Long](#) (Japan), [Jordan Schiele](#) (China).

The Talents will take part in an expansive six-day programme featuring around 100 events with internationally renowned experts holding master classes and workshops, many of which are open to the public.

Berlinale Talents takes place at the HAU Hebbel am Ufer, February 11 - 16, 2017.
