TCM's Ben Mankiewicz sat down for a conversation with legendary screen icon Ann-Margret at the 22nd annual SLO Film Fest at the art-deco Fremont Theater. The affable Mankiewicz cajoled and prodded the actress, often referred to as a "sex kitten," revealing the starlet had considerable talent to go along with her striking looks and energetic on-screen flair. Tune in for Ann-Margret's personal story of Hollywood lore with plenty of anecdotes and an inside look into what helped shape the film siren into the star she became!
